To

The Dewan of Mysore for sanction

I submit herewith a project amounting to Rs. 25,032 for restoring Madhvare Tank, Regd No 311 Doddballapur Taluk for sanction with the following remarks.

Please refer to my Inspection Note of the 11th October 1903 (slip A) in which I stated that this tank should be brought up to standard for the safety of the Hessarghatta Tank below.

I consider all the provisions made in the estimate necessary excepting the widening of the bund over which the District fund Road to Doddballapur runs. The widening of this road is, however most desirable for reasons given by the Executive Engineer but the cost is not fairly debitable to irrigation and as the District funds cannot afford to pay for the cost (Rs 1687) I think Government might contribute this sum from Local Funds general if you approve.
